CHOOSING AN ALIAS

Every SASS[®] member is required to select a shooting alias representative of a character or profession from the Old West or the western film genre. Your alias may not in anyway duplicate or easily be confused with any other member's alias. The following guideline should help you in choosing an alias: Your alias must be "printable" before a wide audience. No duplications are permitted. If it sounds the same, it is the same. Adding "100," "11," etc., is not acceptable. "Ranger" could become "Texas Ranger" but not "The Ranger." "John Henry Chisum" could be modified to "Jack Chisum" but not "John H. Chisum" or "Jon Henry Chisum." Historical names may not be modified to make them different. "Wyatt Earp" and "Marshal Wyatt Earp" are considered the same. The SASS[®] Alias Registry changes daily. Feel free to telephone or fax the SASS[®] office to confirm the availability of your alias choice. Be creative and good luck!

SPIRIT OF THE GAME

As the game of Cowboy Action Shooting[™] has evolved, our members have developed and adopted an attitude towards their participation called "The Spirit of the Game." It is a code by which we live. Competing in "The Spirit of the Game" means you fully participate in what the competition asks. You try your best to dress the part, use the appropriate competition tools, and respect the traditions of the Old West. Some folks would call it nothing more than good sportsmanship. We call it "Spirit of the Game."

OUR PROMISE TO YOU!

We at SASS[®] promise to do everything in our power to uphold the respect and traditions of our historic American Old West through the true and honest pursuit of Cowboy Action Shooting[™]. We will maintain a fair and equal playing field so all can play and participate. All we ask is you play and have fun with a zest for The Spirit of the Game.

The Single Action Shooting Society® is an international membership organization created to preserve and promote the sport of Cowboy Action Shooting™ in the spirit of the Old West. SASS® endorses regional matches conducted by affiliated clubs, stages END OF TRAIL™. The World Championship of Cowboy Action Shooting™, promulgates rules and procedures to ensure safety and consistency in Cowboy Action Shooting™ matches, and seeks to protect its members' 2nd Amendment rights. SASS® members share a common interest in preserving the history and traditions of the Old West and competitive shooting.

OLD WEST

ALIAS AND COSTUMES

One of the unique aspects of SASS® approved Cowboy Action Shooting™ is the emphasis placed on consuming. Each participant is

*Experience the fun, Excitement and Traditions
of the 19th Century Old West History and Lore!!!*

required to adopt a shooting

alias appropriate to a character or profession of the late 19th century, a Hollywood western star, or an appropriate character from fiction.

Their costume is then developed accordingly. Many

event participants gain more enjoyment from the costume aspect of our sport than from the shooting competition, itself. Regardless of a SASS® member's individual area of interest, SASS® events provide regular opportunities for fellowship and fun with like-minded folks and families.

OLD WEST FIREARMS

Cowboy Action Shooting™ is a multi-faceted shooting sport in which contestants compete with firearms typical of those used in the taming of the Old West: single action revolvers, pistol caliber lever action rifles, and old time shotguns. The shooting competition is staged in a unique, characterized, "Old West" style.
